PROFILE

International sales leader with 14+ years of experience driving international expansion, enterprise SaaS sales, and go-to-market strategy across EMEA and global markets.

Expertise in building new markets from zero, structuring international revenue pipelines, and leading complex B2G and enterprise sales cycles.

Background in engineering and business management with strong capabilities in AI-driven sales automation, strategic partnerships, and scaling high-growth technology companies.

Industry experience includes Mobility as a Service (MaaS), SaaS platforms, smart mobility, smart home, and defense technology.

PROFESSIONAL EXPERIENCE

HEAD OF INTERNATIONAL SALES | INSTANT SYSTEM | PARIS | 2022 – 2026

Lead international business development and market expansion for Mobility as a Service (SaaS) platform solutions.

- Opened 8 international markets from zero reference
- Built €30M+ international ARR pipeline
- Designed international go-to-market strategy
- Led complex B2G/Public Sector enterprise sales cycles
- Managed international sales team while leading strategic deals

INTERNATIONAL BUSINESS DEVELOPMENT MANAGER | EXAIL | 2019 – 2022

Developed new industrial business line leveraging defense technologies.

- Created new industrial vertical based on defense technologies
- Led hybrid B2G/B2B market expansion across Europe, Americas, Israel, and UAE
- Managed complex sales cycles from €50K to €300K

EXPERIENCE

EDUCATION

ESSEC — Management & Leadership | 2017

Toulouse Business School — Master in Business | 2011

Università Carlo Cattaneo — Erasmus Exchange | 2010–2011
